Online Kaizen Facilitator Training Course

Quality - Support - Innovation

Lean Kaizen events, also known as Kaizen Blitz or Rapid Improvement Workshops, are a quick and effective approach to identifying and eliminating problems. Popular with businesses all over the world, the method is proven to save organisations significant amounts of time and money.

Our online Kaizen Facilitator training course will prepare you to run these transformational events in any organisation. Designed by our Master Black Belts with over 20 years experience running Kaizen events, it is a comprehensive training course that teaches both the technical and soft skills necessary to run Kaizen events. You will

also gain a strong Lean and Lean Six Sigma awareness.

Through several hours of interactive eLearning, you will train to become a confident Kaizen Facilitator that gets results. With six months access to the course, you will have plenty of time to train. The course is fully optimised for all devices, allowing you to train at a time and place that suits you.

On successful completion of the course and exam, you will receive a certificate and 18 CPD points. To ensure your continued success as a Kaizen Facilitator, you will also have unlimited access to our lifetime support.

100% Effective's online Kaizen Facilitator training has a high customer satisfaction rating, with an average score of 5 stars out of 5.
