Online Introduction to Kaizen Training Course

Quality - Support - Innovation

Kaizen events are a Lean approach to identifying and eliminating problems quickly and effectively. Also known as Kaizen Blitz or Rapid Improvement Workshops, they are used in organisations around the world to save businesses significant amounts of time and money.

Designed by our Master Black Belts with over 20 years experience running Kaizen events, this online course is a short but thorough introduction to Kaizen and Kaizen events. Revealing the Japanese origins of Kaizen and exploring the structure and secrets of a successful event, the course provides a thorough Kaizen awareness.

Optimised for use on all devices, the course consists of around one hour of interactive eLearning that you can access at a time and place that suits you. To ensure you have plenty of time to complete the training, you will also have one month's course access.

Culminating in a multiple choice exam, on successful course completion you will receive a certificate and one CPD point. The course also comes with unlimited access to our lifetime support.

100% Effective's online Introduction to Kaizen training has a high customer satisfaction rating, with an average score of 5 stars out of 5.
